Council of the University

Voting on a Resolution authorising space in the Old Boys High School

Corrigendum

Since the publication of the notice regarding the authorisation of space in the Old Boys High School ([Gazette No 5466, 25 September 2025, p8](#)) it has been observed that the notice did not accurately reflect the University's organisational structure and the following wording should have been used:

'Voting on a Resolution authorising the allocation of space in the Old Boys High School to the School of Geography and the Environment, for occupation by the Smith School of Enterprise and the Environment'

References to this space allocation will therefore be updated.
