Research participants sought

[Malaria vaccine: volunteers needed!](#) Malaria is a major global health problem. There were around 263m cases of malaria and over 600,000 deaths worldwide in 2024. Most deaths are in children under 5 living in Africa. If you are aged 18–45, in good health and live in the Thames Valley, you may be eligible to take part in the BIO-005 study to find a vaccine against malaria. Total participation time: up to 3 months; participants will be reimbursed up to £4,220 for their time, inconvenience and travel based on completion of all study visits. To find out more, please visit our website where you can read the Participant Information Sheet.

Groups and societies

Oxford University Newcomers' Club welcomes the partners of graduate students, of academics and researchers, and of University staff, as well as others with a connection to the collegiate University such as visiting scholars. [Our Membership Guidelines are on our website](#). We are run by volunteers and supported by the University. We provide information about the local community and many opportunities to share experiences as well as to take part in organised events and activities in and around Oxford. We meet at the University Club (11 Mansfield Rd) every Wednesday morning 10.30am–noon during 0th to 9th week, and informally during the vacations.

Oxford Research Staff Society (OxRSS): run by and for OU researchers, OxRSS offers social and professional networking opportunities, such as pub and games nights, Oxford walks, college dinners and interdisciplinary discussion forums. Membership is free, and all OU researchers are welcome. To hear about events and other information, [join the mailing list](#).
