Council and Main Committees

Council of the University

Council has made the following changes to regulations to come into effect on **30 October**, unless notice of a resolution calling upon Council to annul or amend

the regulation is received by the Registrar by **noon on 26 October** (as set out in [Statute VI: Council](#)).

Regulations for the Central University Research Ethics Committee

Explanatory Note

These changes to the regulations for the Central University Research Ethics Committee (CUREC) are to increase the total number of CUREC subcommittee members to support the continued timely review of ethics applications. Numbers are also being written as numerals rather than words, in line with Oxford style guidance.

Text of Regulations

In [Part 13 of Council Regulations 15 of 2002](#), concerning the Central University Research Ethics Committee, amend the regulation as follows (new text underlined, deleted text struck through):

‘1.1. The Central University Research Ethics Committee shall consist of:

- (1) a person appointed by Council who shall chair the committee;
- (2) ~~1~~one of the Proctors or the Assessor as may be agreed between them;
- (3) the chair of the Medical Sciences Interdivisional Research Ethics Committee;
- (4) the chair of the Social Sciences and Humanities Interdivisional Research Ethics Committee;
- (5) the chair of the Oxford Tropical Research Ethics Committee;
- (6), (7) ~~2~~two external persons appointed by the Research and Innovation Committee of Council;
- (8)–(13) up to ~~6~~six persons appointed by the Research and Innovation Committee of Council to ensure appropriate representation of areas of research involving human participants or personal data.

1.2. Appointed members shall serve for ~~4~~four years and shall be re-eligible.

1.3. The committee may co-opt up to ~~4~~four additional members, who may be internal or external, and who shall hold office for such period as the committee may determine.

1.4. The committee shall:

- (1) develop, promote, implement and keep under review the University’s policies on research involving human participants and personal data;
- (2) establish, promote, implement, and keep under review procedures for the consideration and approval of research projects involving human participants or personal data in order to meet the University’s requirement that all such research shall be the subject of ethical review;
- (3) advise, as it sees fit, on training provision for those bodies set out in regulation 1.7 (1)–(3) below, for any other bodies involved in considering applications for ethical review and for those undertaking research involving human participants or personal data;
- (4) consider any matter of policy concerning the ethical approval of research involving human participants, tissue and/or personal data referred to the committee by the bodies set out in regulation 1.7 (1)–(3) below or any other relevant body;
- (5) consider any issues concerning the ethics of research referred to the committee by any other University body.

1.5. The committee shall establish, implement and keep under review a procedure for considering appeals against the exercise of the power under regulation 1.13 (3) by its subcommittees.

1.6. The committee shall report to the Research and Innovation Committee of Council:

- (1) as required on changes to the University’s policies on research involving human participants, tissue and/or personal data; and
- (2) annually on the matters set out in regulations 1.4 and 1.5 above.

1.7. The committee shall have the following subcommittees and technical advisory panel:

- (1) Medical Sciences Interdivisional Research Ethics Committee;

(2) Social Sciences and Humanities Interdivisional Research Ethics Committee;

(3) Oxford Tropical Research Ethics Committee;

(4) Technical Advisory Panel.

1.8. The membership of each subcommittee established by these regulations shall consist of:

(1), (2) ~~2~~**Two** persons appointed as chair and vice-chair of the subcommittee by the Research and Innovation Committee of Council, ideally ~~1~~**one** of whom shall not currently be involved in research involving human participants or personal data. ~~1~~**One** of the persons appointed as chair or vice-chair may be external but not both;

(3) ~~1~~**One** person, who may be external, appointed by the Central University Research Ethics Committee on the recommendation of the chair of the relevant subcommittee whose primary personal or professional interest is not in research involving human participants, tissue and/or personal data;

(4) ~~1~~**One** person, who may be external, appointed by the Central University Research Ethics Committee on the recommendation of the chair of the relevant subcommittee whose primary personal or professional interest is not in any particular research area;

(5)–(~~14~~**12**) No fewer than ~~3~~**three**, and no more than ~~10~~**eight**, persons, ~~2~~**one** of whom may be external, appointed by the Central University Research Ethics Committee on the recommendation of the chair of the relevant subcommittee who have methodological and ethical expertise relevant to the proposals which each subcommittee will be expected to scrutinise.

1.9. Appointed members shall serve for ~~4~~**four** years and shall be re-eligible.

1.10. Each subcommittee may co-opt up to ~~6~~**four** additional members, who may be internal or external, and who shall hold office for such period as the subcommittee may determine. Where a subcommittee has Departmental Research Ethics Committees (DRECs) reporting up to them, the subcommittee may co-opt additional members such that every DREC (and, in the case of multi-department DRECs, a DREC member from each department) is represented on the subcommittee.

1.11. Notwithstanding regulation 13.8 (1), (2) above, the Research and Innovation Committee of Council may, but is not obliged to, appoint a second vice-chair of each subcommittee on the recommendation of the chair of the Central University Research Ethics Committee. For the avoidance of doubt, the second vice-chair may be external.

1.12. No fewer than ~~2~~**two** of the members of the Medical Sciences Interdivisional Research Ethics Committee, whether appointed under regulation 13.8 or co-opted under regulation 13.10, shall be medically qualified members with current experience of prescribing of licensed drugs. 1 of these members should be the chair or a vice-chair of the committee.

1.13. Each subcommittee shall:

(1) review the ethics of all proposals submitted to it for research involving human participants or personal data conducted by University employees or by University students or conducted by others on University premises unless the research falls within the remit of the Health Research Authority, or any subsequent body to which its powers are delegated, in which case such research must meet the requirements of that authority;

(2) grant ethical approval on behalf of the University if it is satisfied that the research complies with the University's policies and procedures on research involving human participants, tissue and/or personal data;

(3) have the power to withhold, suspend or withdraw approval of research (whether or not the approval was given by any body established by these regulations) if it is considered to be in contravention of the University's policies and procedures on research involving human participants or personal data;

(4) establish and regularly review for approval by the Central University Research Ethics Committee:

(a) procedures for monitoring research approved by it to verify that the research continues to comply with the University's policies and procedures on research involving human participants, tissue and/or personal data;

(b) procedures for ensuring that all research projects involving human participants, tissue and/or personal data are reviewed and approved, as appropriate, under the relevant subcommittee's procedures;

(c) areas in which they would benefit from formal, sustained specialist support, to inform the focus of recruitment to the technical advisory panel, and;

(d) standing orders.

(5) report annually to the Central University Research Ethics Committee and provide such other reports as are specified in its Standing Orders.

1.14 The membership of the technical advisory panel established by these regulations shall consist of: relevant area specialists, who may be external; individual(s), who may be external, with expertise in ethical implications of the relevant area; representation from the University's

Information Compliance and Information Security teams.

1.15 Appointed members shall serve for **3**three years and shall be re-eligible.'

Council of the University

Nomination of an external member of Council

Under [regulation 9.3 of Congregation Regulations 2 of 2002](#), the nomination below shall be deemed to be approved unless not later than **4pm on 29 October** the Registrar has received from not fewer than 20 members of Congregation a written request for a postal ballot to be taken in respect of that nomination.

APPROVAL OF THE NOMINATION OF JOANNE SHAW AS AN EXTERNAL MEMBER OF COUNCIL

The nomination by Council, under the provisions of [section 4 \(7\)–\(11\) of Statute VI](#), of Joanne Shaw as external member of Council, to fill a vacancy commencing at the start of Hilary term 2027, is submitted for approval. The initial appointment will be from the start of Hilary term 2027 until the start of Hilary term 2031.

Notes on the nominated external member of Council

Joanne Shaw is an experienced board chair and audit and risk committee chair across commercial, public and third sectors.

She is Deputy Chair of Vitality UK and chairs the audit committee of CVS plc, a FTSE 250 clinical services group. She has chaired audit and risk committees at NHS England, Cancer Research UK and the National Audit Office. She currently sits on the Audit, Risk and Remuneration Committee of St Peter's.

Past roles include Chair of The Royal College of Paediatrics & Child Health, Deputy Chair of Nuffield Health and Chair of NHS Direct. She served for 9 years on HM Treasury/Cabinet Office Major Projects Review Group.

STATUTE XII POOL FOR CONSTITUTING PANELS (UAS)

- 1 member of Congregation to whom Statute XII applies to represent University Administration and Services (UAS), elected by members of Congregation, to serve from the start of HT 2027 until the start of HT 2031 [*vice* Hazel Jessop, Planning and Council Secretariat]

The Pool is comprised of 46 persons, elected by Congregation, in 1 of 7 constituencies: 6 members representing each of (1–4) the 4 academic divisions; (5) Gardens, Libraries and Museums; and (6) University Administration and Services; and (7) 10 members of Congregation, not necessarily representing any division and not in any case being nominated in a divisional capacity. Elections to the pool restrict candidates to those members of Congregation to whom Statute XII applies (that is: professors, readers, associate professors or lecturers; any employee of the University who is a member of the Universities Superannuation Scheme or who would be a member if he or she had not been exempted under the provisions of Statute XIV; and the Vice-Chancellor to the extent and in the manner set out in part G of Statute XII). College staff are not covered by Statute XII as colleges have their own statutes. The exception is college staff at Kellogg, St Cross and Reuben, which follow the University's statutes. Any staff holding joint appointments will, however, be covered by Statute XII in respect of their University contract of employment and duties. This means that all members of Congregation are eligible to nominate a candidate or to vote, but prospective candidates who want to stand for election must be a member of Congregation to whom Statute XII applies. By convention, it is expected that candidates for election to represent a constituency will work within that constituency. The full term of office is 4 years.

The terms of reference and membership of this body are set out in [Council Regulations 3 of 2017](#). Members of the Pool will be chosen by lot to serve on a number of panels under Statute XII (ie Redundancy Panel (Section 14 (6)), Staff Employment Review Panel (Section 35) and University Appeal Panel (Section 52 (2)) and may be expected to also chair a Panel. Before serving on

terms of office are now coming to a close (thereby prompting all the vacancies now advertised for election).

information on a particular vacancy or the work of a committee or other body, please contact the Secretary of the relevant committee/body (as shown below).

a Panel, each member of the Pool will be required to attend appropriate training, including on equality and diversity, which takes about half a day in total. Because members of the Pool are chosen by lot, it is hard to predict how many times a member will be asked to serve, but at the most this is likely to be 2 panels in a year (and often less), which each take around a day – before the hearing there will also be a large bundle of papers to read. Nominations from BME staff, from men and from academic and research staff are particularly encouraged. No particular skills/experience are necessary, but an interest in staffing matters is helpful. For further information, please [email the Secretary, Megan Whitley](#).

Notes

The elections on 26 November 2026 will be conducted electronically.

Nominations

Nominations must be made electronically on an [official nomination form](#). Completed nomination forms must be submitted by **4pm on Thursday 29 October 2026**.

General requirements and eligibility

All candidates are asked to note the general requirements which apply to all committee members, as set out in [Council Regulations 14 of 2002](#). Current members seeking re-election are also asked to check for specific restrictions on consecutive service.

Candidates' statements

Candidates are invited to include with their nomination forms a written statement of no more than 250 words, setting out their reasons for standing and qualifications for the office being sought.

Contested elections

In the event of a contested election, the successful candidates will be determined by an electronic ballot. Candidates' statements will be published in the *Gazette*. Voters may wish to read these statements before completing their electronic vote. The voting period will close at **4pm on Thursday 26 November 2026**.

Uncontested elections

If the number of nominations received by the closing date is no more than sufficient to fill the vacancies, the candidates nominated shall be deemed to be duly elected as of the close of the nomination period on Thursday 29 October. When required, places will be allocated according to academic standing, as defined in [Council Regulations 22 of 2002, Part 2: Academic Precedence and Standing](#).

If the number of nominations received by the closing date is less than sufficient to fill the vacancies, those candidates nominated will be deemed elected unopposed, and the remaining vacancies will lapse, in which case, in accordance with the regulations, the places must remain vacant until appointments are made jointly by the Vice-Chancellor and Proctors. For further information, please [email the Elections Office](#).
